“ Dear Family, We are the parents of Danny and Jeff Miller- who think highly of you and your family. We only know you through them and Mrs. Frankie; but we wanted to extend our deepest Christian sympathy. Please see the following poem:

The Rose Still Grows Beyond The Wall

*Near shady wall a rose once grew
Budded and blossomed in God's free light,
Watered and fed by morning dew,
Shedding its sweetness day and night.*

*As it grew and blossomed fair and tall,
Slowly rising to loftier height
It came to a crevice in the wall,
Through which there shone a beam of light.*

*Onward it crept with added strength
With never a thought of fear or pride
It followed the light through the crevice length
And unfolded itself on the other side*

*The light, the dew, the broadening view,
Were found the same as they were before
And it lost itself in beauties new
Breathing its fragrance more and more*

*Shall claim of death cause us to grieve
And make our courage faint or fall
Nay, let us faith and hope receive
The Rose Still Grows Beyond the Wall*

*Scattering fragrance far and wide
Just as it did in days of yore
Just as it did on the other side
Just as it will forever more* Author:Unknown##imported-

“ Keith,
Heaven has a new angel and her name is Lisa. Knowing and loving
Lisa made me a better person and she left me with the strong
understanding that life does not end here on earth but continues
with our Father in heaven. Thankfully we'll never have to truly let her
go because she will always be a special part of each of our hearts.
I've never met anyone who embodied the meaning of the word,
selfless, like she so truly did. It was who she was and it was
wonderful. Whoever she met she changed for the better in her own
quiet way and she always unmistakably, undeniably LOVED her
sweet sweet family. Lisa was a special gift.##imported-

“ Keith,
Words can never express how one really feels when hearing of a friend suffering a hardship and such a tragic loss. I was not fortunate enough to know Lisa, but I understand she was a special person with a heart of gold and a true humanitarian. It is a reflection of a person's heart when they put others before themselves giving unselfishly, even when fighting their own adversities. We should be thankful when such a person touches our life and try to live ours accordingly. I am very sadden by the news that you have lost such a person, Please accept my heartfelt condolences, and if there is anything I can do please do not hesitate to let me know.##imported-begin##Ricky Smith##imported-end##
