“ It was my honor and privilege to have known Lisa for many years and experience her amazing Heart of Gold. We quickly became friends after I meet her through my husband and his employer. I also had the opportunity to meet her son, Cameron, at a Grainger function to help the military. I quickly knew how special he was to her!

Lisa was a devoted volunteer at our annual memorial golf tournament in memory of our son. She even started "Cory Day" at Grainger where she and many of our volunteers worked with my husband. I would see the pictures and there would be 50 or more employees wearing a Cory shirt on any given Thursday (Cory Day). Lisa was one of those who truly "got it".

Sadly she lost her own son a few short years after I met her. We shared alot of stories together after she lost Cameron when we spent a weekend together in Fernandina soon after his accident. I'd like to think I helped her in some small way because she sure helped me/us in a BIG way! The picture I've included was at our annual Cory Tournament in 2016 when she was awarded the Cory Soles "Heart of Gold" award for her dedication, devotion and love for Cory, someone she never even met. She was shocked, touched and surprised, but she truly deserved it!

Lisa, I pray you know just how many people's lives you touched and what you meant to so many. Thank you for your friendship, love, loyalty and those stories we shared!

My heart hurts for Don and your family and I pray for all of them. I also know there is comfort as you are now with your precious son and are no longer suffering. For that I am thankful.

Rest easy sweet friend!! I'll never EVER forget you!!

"Don't Sweat the Small Stuff" Love you girl!

“ *Teresa, Ms. Jackie and Don.....I'm praying for you and the whole family. We lost contact over the past few years and I've just been heartbroken ever since I got the news last night. I loved Lisa and I've never forgotten the box from you all when our house burnt down. Before Lisa moved she had started attending church with me and we always arrange to have our fall festival on Fl/Ga dayshe'd be there taking pictures and hopping around wherever she was neededdecked out in orange and blue. Another memory I have is they took vote @ work for having a union, when it didn't passit was Lisa who broke out the bubble gum cigars in celebration. She is a bright light and her legacy will carry on in each one of us whose lives she touched with that special ray of sunshine that was her's alone. May God's peace be upon you all during this time.*

*Much Love,

“ Lisa and I became friends through church at NCC. She captured my heart with her smile and her desire to let her light shine for God. She was definitely a fighter and I will always cherish the times we had together. I also will cherish the Christmas village she gave me that was hers. Such a sweet lady. ❤️
