“ Aunt Lorraine was such a special person... I have so many wonderful memories with her. Helping/playing with all the children she cared for.. picking vegetables in the garden.. fishing in the pond...but my favorites were just running to town to get groceries. I remember how she "almost" took me to get my ears pierced... then realized dad might not approve. She was right to wait. We had a great time non the less. I am so glad I was able to visit last year..I will treasure all my memories.. love you always!!
