“ *Jack, Tony, Julie & Kelly,*

Lou touched the lives of our family over the years in many wonderful ways. I remember when I was moving to Athens in the early 1980's to finish college at the University of Georgia. I was nervous about the move and not sure if it was the right place for me at the time. Lou sent me a card and at the end she wrote "Good Luck on your new adventure!". Those simple words made me think about the move in a whole different way. Lou was a loyal friend to my mother and was always there for her when she needed a friend. My mother often talks of the family vacations we took together when I was a kid and the camping trips that she went on with Lou, Mary Betty, Beverly, Billie and Nancy. The last time we all visited with Lou was during hurricane Hugo. I had to pack up Bill and Jane and look for a safe place for them (and my family) to stay. Of course, Lou and Jack made room for us and made us feel right at home. Jane and Bill are both in their late 80's now and wanted me to express along with Caroline and I our deepest sympathy.

Sincerely

Don Lindner

“ Dear Warren Family,
I am very sorry for your loss, losing a loved one is a devastating event in one's life. We all want to spend our lives with those we love, and death gets in the way of that. In the bible god promises us everlasting life on a paradise earth and a chance to see our dead loved ones again. (Revelation 21 verses 4, 5) God also said that nobody will say I am sick (Isaiah 33:24) You see, all of us have a chance to live endlessly and perfectly with no ailing diseases or bad people on a paradise earth. I hope this has comforted you, and may your loved one rest in peace.
