“ *Never called him Uncle Louis or Uncle Junior. Just called him Junior. Always thought of him as a kind, mild mannered man whose family meant the world to him. I never heard a cross word come from him. In my adult life I didn't get a chance to spend the time with him that I'd have liked to. What an artist! He got me interested in sketching and drawing cartoons at an early age. It just seemed to come natural to him. There is quite a gathering going on about now up there in heaven. Any family quarrels or differences have melted away. I'm sure the Stevens clan has a whole new way of looking at things ... at the foot of Christ. My family and I will be in prayer for all of you in the coming days. God Bless you!*

“ *My sincerest condolences to Sharon, Linda, Myra and families. I remember Junior from those family reunions we had so long ago. Last time I saw him was at my granddaddy's funeral (James Tennyson Stevens Sr.) They looked so much alike, you had to look twice at times. As a kid I even remember getting them confused a couple times. Those great Stevens men will truly be missed. God Bless!*

“ I always remember Uncle Junior smiling. I would see him at the post office here in Milledgeville and we would talk for awhile. My heart and prayers go out to ya'll.

“ Junior worked with my husband, Joe Gercken, at Griffin Pipe. He painted a portrait of my daughter when she was around ten years old. Our family has always been grateful for Junior's sharing his talent and friendship with us. When Joe died Junior sent me a poem he had written "Which Friend of US" to comfort the family. On behalf of my family I send our love and prayers in memory of a man who lived a good life. God Bless
