“ Louise and I had conversations regularly both via email and on the phone back when I worked in the pet industry. When I left that job I gave her my email address and we kept up fairly often sort of like pen pals and I really got to enjoy it. I hadn't heard back from her in a bit, and so I looked up online hoping to not find any sad news. Unfortunately I did. I'm so sorry for your loss, it's heart breaking to find out she passed. She was a great lady and so much fun to talk to.

“ Louise was a good friend to my husband and me for years. We shared a love for bird dogs, and spent many hours working the dogs and sharing stories. Our condolences to your family. Please let us know if we can help with the dogs or horses.
