“ Our deepest condolences to the family. Ms.Louise was a great friend to my Mother. They were happy to reunite for Mom's birthday party at the Cottages where they talked, held hands, and caught up on each other's lives. It was a beautiful thing to witness. Louise never hesitated to pick up Mom for church or to eat out when she was still driving. We will miss her!!

“ There’s one thing for sure, she loved her family. Her children were the most important part of her life, and her friends took a close second. She is loved by so many people that her well being was at the top of the list for everyone. That’s who she was! My prayers are with the family.
