“ Harold Jr. Brenda and family. My earliest memory of your Mom was her stopping us kids from playing with the old sewing machine. She had the patience of a saint. She was so gracious and showed all of us love. When I think of her I think of her love for your Dad and her family. We send our love and prayers. Cousin Bobbie Jean Screw Hammond

“ Aunt Lucille you are so loved. All the memories of growing up spending so much time together. You were always so loving and kind and would blush so easy . You always had us a stash of cookies in your cookie jar. Dementia may have taken your memories but we all remember you and the role you played in our lives. Rest high on that mountain with Uncle Harold and little Randy. You will always be loved.
