“ Gail, I'm so sorry for the loss of your mother. I remember Ms. Lynette well. I remember when her and Sonny Man would bring all of you to the house and we'd play hide-go-seek, even though you, Sherry, Tony thought you guys were to old to be hanging out with us little kids. There were many good times when the six of you and the four of us got together. I'll cherish those memories always. Please know that you are in my thoughts and prayers Daddy sends his regards and prayers.

*With much love,
Pamela Brown Daughter of Pete and Ann Brown.*

“ While everyone is gathered saddened from losing you, I know u are in Heaven rejoicing with all your babies and all of the rest of the family. What a joyous occasion for you. We will miss u.I know I didn't see you that much or we didn't talk but u were always a favorite sister in law and even though u and Sonnyman were not together you were still my sis-n-law. I have so many good memories, how u loved your beautiful hair brushed, we would sit outside in the chair and I would brush it. But the one thing u got on my nerves about was what u always said about how much u paid for clothes u would go to the dollar store and pay \$5 and seear u paid \$50 at Belk's. And u were the best cook. There are so many good and happy memories that I could go on and on and share but I will stop. But will u give all the family up there a hug for me and let them know how much I miss them. I pray that there is comfort knowing that u are celebrating in Heaven. U will be missed. Gail I am praying and thinking of u all and if u need me I am only a phone call away. I love u all.

“ Lynette now you can fly like an angel with the rest of your children. You were always one of the toughest ones here on this earth for what you went through but I can see a great reunion in the sky. I sure missed our telephone calls the last few months. We all become occupied not knowing when the last day on earth will be . One thing about it, you might not be married to Sonny Man now but you was always my sister n' law still. i love you and going to miss you but I know you are where you want to be.

She was the best server they had. Everybody want her to wait on them. Lynette went through so much in her life time and she had to be a tough one. I don't see how anyone could have done it. Sonny man is tough too.
