“ Dear Randy and Family...For many wonderful years, I was honored to have Lynne as my teacher's assistant! She was a special friend to me and we managed to stay in touch over the years. Our students and I learned so much from Lynne as she shared many of her talents with us. She will always hold a special place in my heart for the loving and giving ways that she never failed to exhibit in our classroom and school. She was always that special someone who went above and beyond for our students, our school and me. I am so very sorry to hear of her passing. May God give you all peace and comfort during this difficult time. Most sincerely, Gail Brasill
