“ Although I haven't lived in Milledgeville for many years now, I have good memories of times spent with Mrs. Fields, Dr. Fields, Bunny and Lamar when they moved to Milledgeville, and Bunny and I met and became friends. We all visited at their home, went bowling in Macon and skiing at Lake Sinclair and had fun together. Mrs. Fields and Dr. Fields were both kind, outgoing, wonderful people (actually, the whole family was), and it was so easy to relax and enjoy spending time with them. Once I graduated from high school and went to the University of Georgia, I was in Athens most of the time, and I moved to Atlanta to work after my college graduation. I've lived out-of-state for many years now, but I still have family in Milledgeville and come there to visit whenever I can.

Mrs. Fields was in the Sunday School Class with my aunt, Iva, until she (Mrs. Fields) moved away, and Iva, my sister (Judy) and brother-in-law (Duck) share Milledgeville news with me. I was so sorry to learn that Mrs. Fields has passed away, but I know that God has another angel in Heaven now, and she has been reunited with Dr. Fields and Lamar.

She was a great lady who will be missed by all who knew her! Bunny, I hope you and the rest of the family are comforted by the many memories you have of times spent with her over the years. I will keep you all in my thoughts and prayers.

What a beautiful tribute to your grandmother Mlisa. Both her and Dr. Joe were very special to me and my family during the 9 years we were members at Sinclair Baptist Church. I still remember the trip that Dr. Joe and I took to Cordele in the early 2000's. The time spent with him that day will be treasured forever in my mind. I know that the both of them trusted Jesus as their Lord and Savior and we will be united again one day.

“ *What a gracious and kind woman. I worked for her for several years and truly enjoyed my time with her and Dr. Joe. Her kindnesses and support helped me attain my goal of a degree in nursing. You were one of a kind.*
