“ *Mal Gal we sure miss you honey. The world is a crazy place right now. I wish that you were here to help us get through the craziness. You are missed so much and we love you so much honey.*

“ *MaGal I sure wish you were around, I miss you so much. My heart still aches to hold you one more time. I am so glad and honored to be your grandfather and I will always love you honey.*

“ *Mallory you are missed by so many people. My heart aches because we never got to see you walk or talk. I wish it was me that died that day and you were still alive. I love you so much.*

Larry Falkenberg - October 22, 2018 at 09:02 AM

“ *Eleven years ago
I woke up, confused, in an antiseptic place
Sleeping in a chair- a hospital waiting room
And realized you were gone.*

*I would never again get to hold your soft body
Snuggle in a chair on a Sunday afternoon
Look into your beautiful blue eyes
And the world became a very empty place.*

I miss you MaGal

“ *I Still Miss You So*
4/7/12

*It's been five years today since the last time I held your soft, warm
body*

Since I saw your bright blue eyes shine

Since I played peek-a-boo with you

Since I heard you laugh

That last day was oh how precious

And I would give every breath I have

For one last chance to hold you

To tell you how I feel

I still miss you so

Nothing ever fills the space

You still live in my heart

You will never be replaced.

I miss you Malga!!!

4/8/12

It's been five years today

Since I walked into that sterile room

And saw your small body lying on the table

Not broken, not moving, tubes everywhere

The words coming from the doctor's mouth

Were hard to comprehend

It took over an hour to get a breath

The awful truth was sinking in

I sat beside you that long day

While machines breathed for you

And kept your small heart beating

Hoping a spark of you was still there

I miss you Malga!!!

4/9/12

*It's been five years today
Since your small heart gave out
And they left you alone
Asleep in death at last*

*They pronounced you brain dead
In the early afternoon
The decision was made to donate
So another child might live*

*But you were just too fragile
Your body had been through too much
Then a final visit
From your mommy, one last touch*

*We all got to hold you
And say our last farewell
We'll forever love you
In our hearts you'll dwell*

I miss you Malga!!!

4/10/12

*It's been five years today
Since I slowly came awake
Thinking I've had a terrible nightmare
My heart's about to break*

*As I slowly open my eyes
I realize I'm not in my bed*

*I'm in a hospital waiting room
Outside the trauma ICU*

*And I remember your mommy's struggling to live
With her body broken up
Your daddy is at her side
And you are gone*

I miss you Malga!!!

4/19/12

*It's been five years today
Since we laid your body to rest
In a small white casket
Placed in the cold, damp ground*

*And now a granite teddy bear
Marks your resting place

“ I WANT MY NOW

Today, you would be one.....

*I remember when they told me
We were expecting you
The joy, anticipation,
My love for you just grew*

*The first time that I saw you
There wasn't much to see
An ultrasound, a small outline,
A little girl for me*

*The call came shortly after lunch
Today will be the day
When you were born such love I felt
More than any words can say*

*As the days and weeks went by
I looked forward to each time
To hold you, feed you, rock you
Each moment that was mine*

*You grew so fast, the time flew by
You became a person all your own
You had three teeth, the fourth was there
Your blue eyes sparkled and shone*

*Then, all too soon the lights went out
A family outing one spring day
An accident so suddenly
Took your precious life away*

*Now we live with hope so strong
When Jesus calls the dead to rise*

*We'll get to hold you once again
In that earthly Paradise*

*We'll get to see you walk and run
Grow up big and strong
You'll become a fine young woman
We'll teach you right from wrong*

*Until that time I miss you so
And wonder with each day
What new things would you be doing
What new games would we play*

*With each day that passes
I think of how you'd grow
Yesterday's memories, tomorrow's hope
But I really want my now*

*In Loving Memory

“ We are so very sorry for what you all are enduring now. It is our deepest prayer that you will find peace and comfort to strengthen you in the coming days, months and years. No parent should have to face such sorrow and we will never understand why some do. It is our firm believe that good *will* come from this tragedy and we pray that you all will find some solace in that revelation.

Know that we are brokenhearted and aching for you all and will be here always in thoughts, prayers, and any other way to support you.

Mallory is a doll and is, surely, speading her brightness among the angels. Life is so very fragile and we must take her lead in embracing the moments we have with one another and use those times to sew kindness and love to all we meet.

Please, take care of one another, love one another, and feel our prayers and love going out to you.

Love,

Mallory while you were here on earth, you were Nana's little Princess. But now you are my Little Angel in Heaven with Jesus. I am going to miss you so much, You are one of the greatest things that came into Nana's life. I don't know why God decided to take you home, but I know he has a special reason, but I do thank God for the time that he did give me with you. I will treasure those times until I get to be with you in Heaven. Mallory while you are up there sitting in Jesus lap singing Jesus Loves Me, Ask him to place a special hand on Mommy, Daddy and your little brother Morgan. I know that you know that Mommy, Daddy and Morgan and alot of other people love you with all of there hearts. Until we can be with you again, We love you with all of our hearts and souls.

“ We did not know you as a family but our hearts and prayers go out to you in the death of your precious baby girl. We are on the prayer chain at Freedom Church and we called people to pray for you as we were doing, we were emotionally touched at the severity of your accident and then to learn later, that your sweet baby had passed on was so painful. We lift you, the family as you are in such deep pain. We submit this poem in little Mallory’s memory. May God bless you. Robert and Joan Miller--

A Wee Bit of Heaven

*A wee bit of heaven
Drifted down from above
A handful of happiness
A heartful of love
A mystery of life
So sacred and so sweet
The giver of joy
So deep and complete.
Precious and priceless
So lovable too
The world’s sweetest miracle
Baby, (Mallory) it’s you.
(By Helen Steiner Rice)*
