“ Joan and Family:

*We loved your Mother. She and Richard worked together for a long
time. When I would call Richard we always had some very spicy
and colorful conversations. She would do anything in the world for
you she could. This I promise you will be the saddest time of your
life, losing her. Mothers are Mothers and will always be. This spot
can never be replaced, She was a very special and loving Southern
Lady. We are so sad about her, we will remember your family in our
thoughts and prayers. Take care.##imported-begin##Richard and
