“ I enjoyed Margaret and her wonderful sense of humor. She always told it like it was and never minced words. We had many good times @ St. Stephen's doing flowers together for flower guild...I will remember her fondly...Till we meet again girl!###imported-begin##Jill Roberts###imported-end##

“ My sympathy goes out to Margaret's family and other friends. She was so vibrant and lively at the class reunion in August, so typical of her, that this comes as quite a shock. She will be missed.###imported-begin##Marilyn Davies Lewis###imported-end##

“ I remember Margaret as a "full of life" person when we were at Griffin High School. I recall the time she used peroxide on her dark brown bangs, which turned them carrot orange. I was grateful that I had not done the same, which I had planned until being told I would be grounded indefinitely if I did.
