“*Diego and family, I am so sorry to read this today. I remember Maria as one of the most vivacious and happiest of friends while we were in high school in Milledgeville. She radiated joy and brought happiness to the many people she knew. I share your grief and my prayers are with Maria and with you all.*

“*Marie and I were friends many years ago when we first became parents while being co-workers. Over the past few years we lost touch. Her family enveloped me and my children like their own. What a blessing. She loved Nick so much so I can't imagine how happy she must have been to be a grandparent. Rest In Peace dear lady Dr. D, Francis and your Mom are awaiting your arrival.*

I thought a lot of her. So sorry to hear of her passing. The family will be in My thoughts and prayers. Sincerely, Tanya LeRoy*

“ *Maria has been in my life since I was fourteen, I am now sixty-four. We were young mothers together, and grand mothers together because we had grand children around the same time as I did. We always kept in touch, and for that I'm glad. I will miss her, but I know we will see each other again...Rest in peace my friend!*

“ My heart goes out to Maria's family. I have known her since 1990 when I worked at Terrace Hill Animal Hospital. She was a client and a very good friend to me. She always loved her animals and her family a lot. She will be missed by all who knew her.

Maria and I knew each other in high school, and in her last year, we had corresponded a good bit on public and private messages on Facebook...mainly about life lessons of love, family, the meaning of life...she had shared with me her illness, and I kept my promise to her not to share it, as she wanted to LIVE every day not as if it were her last but live as if she would live forever! She taught ME so much in that last year about LIVING...and appreciating what I have and the people in my life...I will miss her. I know she is in the presence of God and angels are all around! I loved you Maria and always will!
