*Looking at all the photos and I'm so happy God blessed him with two parents that loved him without measure and made this time on earth a happy time filled with joy and love. Standing firm on faith and making some amazing memories. I can't fathom the pain, but I'll be praying everyday. I must live with my pain for being young and not knowing what I know now. I can't even remember what really happened, all I can say is in sorry of I hurt you and let you know I'd love to pray with and for you. I'm truly sorry for your loss. God and heaven is real and we must live right if we wish to join him in heaven when God calls us home. He was such a sweet and innocent soul. I'll love you regardless of any situation. “ It was such a blessing to be a part of Mario’s care team. God blessed me when I met your family and precious Mario. He taught me a lot about life and caring. Please know that you are fantastic parents and that God has a message for you. “ Well done good and faithful servants”. You parents loved him and tenderly cared for him for 31 years. He knew he was loved. My love and prayers will be with you as you grieve. Mario is fine out of any discomfort and being shown all around heaven. The tough time will be from now until you see him again. Please know I love you and I am so very blessed by working with you. May God bless and comfort you now.
