“ Dear Family of Mark,

I was a regular customer at Kroger during the night shift. I would always talk to and cut up with Mark and the night stock crew. My mother would also talk to mark. She is terminally ill and Mark would always help her find things she couldnt find even stopping what he was doing when he was on a tight schedule and there was loads of work to be done. I wont say he WAS a good person, because he still IS and will always be, in his former life, and the afterlife in heaven.

One late night I went to the self checkout and I found 20 dollars someone left in the change return. I was happy because it helped me buy some more items that I couldnt afford before I found the money. I didnt think nothing of it and I wasnt about to wait around and ask every random person "is this your money?" I left and a few days went by and I had to return to the store, late at night as usual.

The night attendant at the cash register's informed me that the customer HAD returned that night I found the money (about 30 mins after I left) and demanded it returned. I found out that Mark , not wanting to make the customer angry, took the money out of the count to make the customer happy and then used 20 dollars of his own money to replace it. The boss still wasnt happy about it and Mark got wrote up and they threatened to fire him.

I went on my way shopping and saw Mark. We talked as usual and not ONCE did he say anything about me giving the money back to reimburse him. I told him I was sorry and thanked him and gave him the 20 dollars. Mark will be missed. Rest in Peace brother.

*Sincere Condolences,
Ray Bloodworth and family*

“ My heart is with you and my prayers for your loss. I went to school with Mark and he was a kind and caring friend. I had lost contact over the long years until we reconnected on facebook. I got the chance to become good friends again with him and kim. He always encouraged me, made me laugh and cry. He is truly missed. God holds you now Mark. God hold your family close.

“ I went to school with Mark. We lost touch over the years but thanks to Facebook and MySpace we were able to re-connect and catch up with each others lives, share stories, and lots of laughs. My heart is heavy and I was very saddened to hear about the loss of my classmate and friend. His faith was strong and he is healthy and free of any pain. I'm sure he is happy to see his mom and dad again, and he is looking down on his family, fiance' Kim, and all of his friends with a smile. My thoughts and prayers are with all of them during this difficult time. Will miss you buddy!!! RIP Mark

“ *I went to high school with Mark. Years later we became FB friends and will miss seeing him on there for sure. He was and is a very kind soul. I thank him for sharing his life with me through Facebook. No matter how sick or tired he was his faith was strong and he never let his sickness get him down. While I'm broken hearted, I take comfort in the fact that he is with The Lord now and I will see him again some day! My thoughts and prayers are with his family, fiancé & friends. God bless you and give you comfort. Wendy Smith Rivera*

“ To the family of Mark Dexter, his children and friends my and Kenneth's heartfelt memories and prayers are with all of you at this time of his passing. Mark was a wonderful friend and fellow Kroger employee whom ALL of us will miss terribly.

Even though he has been sick for a long time, we still look for him in the isles and miss our friend. A better friend, a terrific giving father and supporter of our Kroger family we couldn't have had the pleasure of working with. For Kenneth and myself, not a better friend, a listener, who always had a moment to talk or listen, smile, give a story or lend a hand when needed. Our hearts are heavy though we know he is with our Lord.

To Marcus, Ashley and Josh: Your father was a great guy to work around. It is so hard to lose a dad (I know) just remember he loved you and will always look up to you as a great group of his kids...
