“ *As sad as it is to lose Mark, he will no longer suffer. He is the fortunate one because he escaped this out-of-control world and is spending his birthday with his mother, other relatives, and the Good Lord himself. When friends and family gather they will share stories that keep him alive in memory. RIP ole friend, Happy Heavenly Birthday, and my deepest sympathy to the family.*

“ *There was not a better brother than Mark, He would make you laugh even if you didn't want too and cry cause he would do ANYTHING for you . I was always so proud of him driving the big rig cause he was smaller than most people . It didn't stop him one bit . He loved Driving his Truck , But more than anything he truly loved his wife Linda and his children, grandkids too .along with us Sister's Alice , Angela , and Me Donna . You are and will always be loved and missed by every one who knew you . Rest in Peace my Brother for you really needed it , you fought long and hard .You might be gone from this world but you will never leave us in Spirit. You will always be in my Thoughts and prayers . I love you Mark . love your big sister Donna*
