“ *About 10 years ago, Mark walked into my life at the vet office where I was working. I did not know then what a wonderful friendship we would form. Mark had a very wonderful soul, he was loving and kind. Words can not express how much I am going to miss him. I Love you Mark, you will forever be in my heart.*

“ *Mark was a member of my family for many years. I have fond memories of him, Jean, my son and me spending time together on the lake and family gatherings. I treasure Mark's caring when we lost my niece. He was always there when my mom needed anything. I am so proud and know Jean would also be, of the way Heather stepped up to help him. I will miss talking to Mark. My husband and stepson got to know and care for Mark as well. He will be missed.*

We loved him.
