“ I always enjoyed going to family reunions because you always have that one cousin that you enjoyed seeing, Cindy was mine. We were the same age. Just meeting once a year and when she was able to come, we could pick where we left off- talking about Mary and then her 1st grandchild. She loved going with her to rodeos and riding. She talked about her alot. She was quiet and we would stick together and I enjoyed her company. She loved the other grandchildren, I'm sure, but we never had another time to talk about them. She will be missed. May God bless you with support and an abundance of great memories. My love to all. Eileen Nelms Harcrow (Ruby Jackson Nelms daughter) and Ruby also.

“ To all of Cindy's family, I am so saddened to hear about Cindy's passing. We worked at Rheem together and many times we worked side by side. Cindy loved to talk and so did I it made our day go by fast. We never stopped laughing. She was alots of fun. Cindy loved her family and she would tell me so!! I could tell things about Cindy for hours on in. But for her family I can only ask God to give you all the love, comfort and peace that only he can give. Cindy touched so many lives and she will be so much. I am just glad that I got to be apart of her life.
