“ Bertie and family, I have so many good memories of you and your mother and family when we were next door neighbors in Irwinton. We had some good times at your house and mine. That long driveway served its purpose from hopscotch to just rambunctious play (of course we were never out of control in the sense of being rambunctious). Love all of our memories of you and your family. I am so sorry for your loss. Love you bunches, Debra Allen Boney
