“ Aunt MArtha will be missed. I can say she loved her family. I love her and am glad she was my aunt and she helped raised all of her nieces and nephews. She was truly a blessing here on earth. But now she is in heaven rejoicing with her Lord and family and free from all pain. I will always remember what she meant to me. Love you and will see you soon. To Uncle John and the kids you are in my thoughts and prayers. May God give you peace that passeth all understanding through this time.

“ Sis. Martha was truly one of the kindest, thoughtful women I have ever know. When daddy was sick she always called to check on him. She even made & brought her home made biscuits he loved. Since daddy has passed she has continued to always call & check on Mother. I will miss getting my Christmas card w/the next years calendar.
My love to the entire Reynolds/Harrell clan. Bro. John & kids please know you are and always be a part of our family.
