“ Joyce and Family,

Lainya and I are very saddened to hear of Marvin's passing. What a great friend, man and leader of the community he was. We shared many years together at the shop in the brickyard and there were many meaningful and good times from those years! He was very talented and gracious and we know he will be sorely missed by all who knew him! We pray the peace and embrace of our Lord and Savior on you and your family and may it bring you peace and comfort as you go through this time. Our thoughts and prayers are with you!

“Joyce and family, I was so sorry to hear about Marvin's passing. He fought a courageous fight throughout his illness. You and Marvin were such a comfort to me while my husband was fighting his battle. You and Marvin have been our friends for many years and Bill appreciated everything Marvin did to keep our Shrine club going. Let's stay in touch.

“Marvin's parents were special lifetime friends with Wilson and me, as we were next door neighbors in Pembroke. Marvin and I went to high school together, with him being a grade behind me. I am so sorry, Joyce, to hear the news of Marvin's passing. If Wilson were still living he would join with me in expressing sympathy. God bless the family.

“ Dear Sister-in-law Joyce, Joy, and Jason-my heart is with all of you and I wish I could have been there in person. I remember the first time I met Marvin-more than 50 years ago now-I knew he was going to be someone very special in my life. And I was right, as are all of you.
I've always loved the stories Howell tells of growing up with Marvin as his big brother. They will be more precious than ever now.
I hope to see you in August.
Love, Donna
