“*Carla and Carolyn, so very sorry to hear of the passing of your mother. We only saw one another at family weddings and funerals, but Mary Alice was always so sweet and caring and was always present to support the family during these times. May God comfort you and your family and give you peace that only he can give.*
Love,
Michael and Jackie Kent (1st cousin, son of J.C.)”

“*I only got to know Nie for a short period of time but I'm grateful for that opportunity. She was everything I always wanted in a grandmother, and I wish she would of been here longer. My best memory with her was on the way to the family reunion in Jacksonville, FL. We were about half way there and I had asked Chad "I wonder how long the flight to Hawaii is" which he referred me to Nie for the answer. She told me about the year she went and who was with her as well as how the pineapple tasted differently in Hawaii. She went on about every detail from the trip to what she wore and everything she did between then and the trip back. I recall she had made a stop before she actually made it to Hawaii, long story short, I never got my answer but I'll leave it at that, I would much rather remember our conversation this way. I miss and love you very much, we all do.*”
