“ Many times I walked thru the doors to her home on the lake years ago. We always were greeted with that smile, welcomed with love and kindness. I know you will be missed, but we look forward to fellowship together again soon with our Lord.

“ I have known "Miss" Tillie all my life and she was the sweetest kindest most gentle woman. She was always smiling and always ready to give and share a hug ! As a child I remember being in AWE of their Christmas tree - Miss Tillie would cut cotton to fit every branch and it looked like the tree had snow on it - pretty awsome to a kid AND the tree was inside !? Just another memory of Miss Tillie - I know she is celebrating in heaven right now with her friends and loved ones that have already gone home. God Bless all of her family as she blessed so many lives here.
