“ *Mary Alice & I used to ride bikes into the country around Boston with one or two other teenaged girls. Although I've not seen her in well over 60 years, I still remember her pretty, wavy, dark red hair,*

“ *Mikey, I am so sorry for your loss. Your mother was a very kind woman that I know you adored. I can remember her coming in the store on Wednesday afternoon while you would get the stand loaded up. We talked about a lot of things during that time. Her favorite topic was her kids. She was a very nice lady and I was proud to know her. You know I am here if you need anything.##imported-begin##Missie Mills##imported-end##*
