“ Judy and I offer our condolences to all of the families. A special woman in our lives. While at Mosleyville, she looked after all of our kids, and others children, with love in her heart. We admired that, and her patience, everyday. In our conversations with her later in life, she could display just an ounce of fire when needed. We loved that too. We will miss her immensely.

“ *Ms. Mary has certainly left her footprints here with us. She was one of the sweetest persons I have ever known. Mosleyville Day Care was fortunate to have had her working with our children. After the aging process "started slowing both us down" and neither of us got out very much, I would see her grocery shopping. It always made my day brighter to have seen her. I pray that God will strengthen the family as you make the adjustments that this loss demands. We can rest in the assurance that we will see her again. Rubye Snow*
