“ Dear Dr. Hargaden and family, I am so sorry to hear of Mary's passing. She was a wonderful person who I really got to know when I was a teacher. I used to bring my classes to the GC museum as her knowledge and expertise truly expanded my fledgling classes horizons. She was a treasure that will truly be missed.

“ Rosemary and I are so sorry to hear of Mary's passing. We offer our sincere condolences to John and the rest of her family. Mary was a wonderful person, with a keen intellect, a sharp wit, a full sense of joy in life, and a kind, caring, and gentle nature. Years ago, we spent many evenings together in a supper club group, in which both John and Mary shared their fascinating stories of life in Ireland, and Mary demonstrated her amazing culinary skills. Those are some of our fondest memories of our days in Milledgeville. We hope her passing was peaceful, and we pray for God's grace to continue to be shown to this wonderful family.

We have fond memories of her as a Carrington Woods neighbor, dedicated wife, parent and supporter of her family, faith and academic progress of her children. I remember meeting Mary when our youngest sons (Stephen and Joey) attended pre-k together at Georgia College. She became a wonderful friend that I cherished. We were new in town and she made me feel so welcome. I will always remember her sweet smile and encouragement. May God hold all your family close and comfort you in your loss. I was blessed to have known her and all her family. Eileen (Hilliard) Barber, Brian & Joey
