“ Aunt Mary Lou was only 4 years older than I am so I could call her aunt. Her wishes until recently. Remember when we visited she more like a cousin. The girls would go Mary Lou's room to "talk" as girls do. Her room was very small but it was where we could be found. So many great memories. Love you Aunt Mary Lou and will our occasional visits.

“ Nanny, there was never an event that you were invited to for us grandkids or greatgrands that you didn't do anything in your power to come to. I miss you so much.
