“ I remember going to school with Mary Jean many, many years ago at the Irwinton Elementary School and probably at Wilco High, but I never really got to know until several years later. I would see her occasionally at a grocery store or somewhere around Milledgeville It was always such a pleasure to see her warm smile and to hear her warm and friendly greeting! I always looked forward to seeing what kind of hat she would be wearing! I know she will be greatly missed by all her family and many friends. May God strengthen you Evelyn, and all of the family and friends of Mary Jean.

“ I remember going to school with Mary Jean a long, long time ago at the Irwinton Elementary School and probably in high school at Wilco High as well. But it seems I really never really got to know until several years later. We would see each other occasionally at a grocery store or somewhere around Milledgeville. It was always such a pleasurer to see her warm smile and hear her friendly greeting. I always loved seeing what kind of hat she would be wearing! I know she will be greatly missed by her family and friends. May God bless and strengthen you, Evelyn and all the family and friends of Mary Jean.
