“ My Aunt Louise was amazing, strong, loving, and one of my most favorite Aunts. She loved animals, they were like her children. I believe she had a great life that she shared with her life partner, Jeanne, whom I know made her a very happy person. She was always there for anyone who needed her. I will always remember her with love , and respect. I wish I could be there for her funeral but distance and circumstance is making that impossible. I will be there in heart and spirit. My love goes out to Jeanne, may she find some peace and know they will see one another again someday. We love you.##imported-begin##Paul & Melody Shippers##imported-end##
