“ Ronnie, Tammie and family, I am so sorry to hear about the loss of your dear loved one, Mattie. It was a big shock to open the paper and see this in the obituary. Mattie was a wonderful person and everyone loved her. She always had the same personality and smile every day and it never changed. If their is anything I can do,then I'm just a phone call away. Just remember, she's and angel now watching over you all. Just pick you out a bright and shining star at night and you can picture it to be her watching over you. Just remember you all are in my prayers and May God Bless you and give you strength in this time of sorrow. Eloise, Shawn and family.##imported-begin##Eloise Griffin Kelsey##imported-end##

“ You are in my thoughts and prayers. Mattie was such a special person. She was always the same when you saw her. She will leave a great void in our lives. She loved her family dearly and when I would see her whether it was in the office, at the hospital or at the grocery store, she would always speak of her family. I remember a time at the hospital when Mattie brought some paperwork to the OB floor and all the nurses were at the nurses station talking about what nicknames their husbands called them. Up walks Mattie and we asked her what her husband called her. Mattie just grinned and said Ronnie calls me "Booger". You would have to know Mattie's sense of dry humor to get such a laugh out of this but this is my fondest memory of Mattie and I will never forget that smile. Mattie, I love you, Brenda##imported-begin##Brenda English##imported-end##

“ We look at the night sky in the quiet of darkness, and they are never far. Those we have loved & cherished, those who have changed our lives in some small or profound way are closer than we know, because it is their light that shines on our world. It is the brilliance of their souls that makes our night sky glow.

*I cannot imagine our office without Mattie. We love and cherish her and she has changed our lives in a profound way. Her light will always shine in our world.##imported-begin##SuzAnne Palmer##imported-end##*
