“ Janice and Elaine...

I will be saying a little prayer for each of you in the days ahead as reality sinks in. I know you're rejoicing in your mother's new home in heaven, yet I know you are already missing her so. I'm thankful to have known Mrs. Mattie... What a fun and loving lady she was! I love you both.

“ You were the best Mother to us and loved us unconditionally. You always taught us to love and be respectful to others. You instilled in us the importance of putting God first in our lives and to have faith and believe. Never give up. We thank you for being someone that we could look up too and admire. Not only were you beautiful on the outside, but the inside as well. We will always love you and cherish the memories that we've made over the years. Rest in a well deserved peace until we meet again. We love and miss you, your babies. Janice and Elaine
