Mrs. Bower was one of the sweetest, most kind hearted people I knew, loved her so much. I could always go to her for the best advice on things and I knew she could guide me in the right direction. To the family, I am truly saddened by her passing and I hope God gives you the strength to get through this time of sorrow, may She rest in Peace

My wife Nancy Moore loved her Aunt Maureen so much. She was her favorite person outside of her immediate family. Aunt Maureen was a blessing to us. She kept in touch with us no matter where we were or the situation. In fact, the day before her death was announced, we received a note from her. She was very concerned for Nancy's health. We will certainly miss this sweet lady and offer sincere sympathy to the rest of the family on the loss of this wonderful lady in their lives.

Maureen was a classmate of mine at Sacramento High school in Sacramento ky. She was well liked. Of and on through the years we have written and talked to each other. She joined the McLean county museum where I volunteered and came to visit one time. I was so glad to see her
