“ Dear Family,
So sorry to hear about the loss of Mr. Max, I know he will be missed by so many but not as much as each of you girls who loved and cared for him during the last years. To say he was a character would be an understatement, but he was always positive and had such a wonderful wit and sense of humor that there was never a dull moment. He had a fierce determination and strong will which carried him a long way and one could say he definitely did it his way. I always enjoyed him at the doctor's office, and he always made the day brighter and brought a smile to our faces. I will pray for comfort for all of you adjust to his loss as he will be missed.

Sincerely,
Linda Ralston, LPN

“ If you knew my papa his favorite thing to do was work out in his shop and ride on his tractor doing some kind of work in the yard with his dog along side him. Also he loved to fish and he loved his family I'll miss him calling me toost or babydoll which he called all his girls in are family. I sure will miss you papa.

“ The Densmores were like a 2nd family to me as their only son and I were best friends growing up. Max always could keep us laughing with his antics and jokes. RIP and fly high Max. There will never be another like you.
