“ David and I still remember the first time we met Maxine many years ago. She was the kind of person who made a lasting impression! She was full of God given joy. We would drive her to church, and just delighted in seeing her singing with such joy, even though she couldn't see the hymnal, but knowing every word. We enjoyed visiting her on Sundays at Fellowship, and always left with some of her joy in our hearts. She will be truly missed.

“ Maxine was such a bright light in the neighborhood where I grew up, in Roberta. She and Mercer were always laughing and cutting up.. even as a child I remember that! How much fun did we all have running up and down that hill-- Caroline, Kathryn, Dwight, Eddie, Nancy, the Tassies, Al Kite! She was ALWAYS smiling, and I can see from the Facebook pictures she was smiling to the end. What a lovely mother you had.. and I can see how well you cared for her. To have Maxine on early for 97 years -- what a gift! I know you will miss her!
