“ I met Michael when he called to volunteer at the soup kitchen (Cafe Central). He said he would do whatever needed to be done. We met in the soup kitchen parking lot the next day and he walked in with me, telling me about himself. He immediately pitched in getting the tables and chairs set up. He cheerfully went about the next three hours helping Angela with the pots and pans and dishes, filling the ice chest, and whatever else needed to be done. He enjoyed a meal with the rest of the volunteers and became a regular volunteer. Michael cared about people who were down and out. He knew how hard times could be and he helped however he could. He let one couple sleep in his tent when they didn't have any other place to go. He watched over them. He told me the last year had been hard for him. Michael had a caring heart. I will miss him.
Sincerely, Marie Farmer

Angela, Carol, J.B.:
I am so sorry for your loss. I have many fond memories of Michael that I will cherish always. I know that now he is in heaven with that new, pain free body that God gives us. Please find comfort in that as I know what hurts most is the separation of him from your daily lives. Believe me, wherever his corner of heaven is everyone is laughing and you will see him there one day.
