“ Lisa, my heart is heavy with sadness for the loss of your sweet daddy. I will never forget my first trip with you to his house and the incident with the dogs. I hope the memory of that brings a smile to your face in the midst of your heartbreak. I love you girl and I'm sending prayers of comfort to you, Carl, the kids and your entire family. His little Bella welcomed him with open arms and I'm sure she hasn't left his lap since he arrived in heaven. I know Meya is going to miss him terribly.
