“ To the whole Hubbard family,  
David was an amazing guy. I got to know him through my brother Justin. In all my years of knowing him I have never heard a negative word spoken about him. He is one of the best friends anyone could have ever asked for. All around loveable. He was always so much fun to be around! The absolute life of the party. During this hard time everyone will be in my prayers. He is so much happier at home with Jesus. Free from his earthly chains. I pray that God keeps every one of the family and friends in his healing arms and comforts you all through this time of need. You have a angel looking over you now and smiling down. My prayers are with you all!

With sincerest condolences,

Amber Kelly##imported-begin##Amber Kelly##imported-end##
