“ *When you become a member of Public Safety, you become a member of a very large and unique family. Your job is not an 8 to 5 job, it is a 24 hour responsibility. You and your family both sacrifice so that others may be attended too. You and your family both knew that any time you stepped out your door to report for duty, it could be well have been the last time they saw you. Thank You Michael Harris for your years of dedication and to the Harris family, thank you for your years of sacrifice. My heart, thoughts and prayers are with you.....*
