“ Mike was my cousin. He was a few years older than me, but I have some funny and some fond memories of growing up with him. When we got together at our grandparent Lewis’s house, there always lots of fun, activity and noise. (There were a lot of cousins.). He was also close to my parents, his Uncle Jack and Aunt Lola, when he was a young parent. They, too, thought a lot of Mike and what he had made of his life. May he rest in peace.
