“ I worked with Dr. Roberts at the hospital and also the wound center. He was always very pleasant towards me and very willing to hear what I had to say about what was going on with a patient. Sometimes he would even ask me what I felt the best decision would be to make for certain patients. He will be dearly missed. My thoughts and prayers are with each of you. God bless

“ Jill, Peter, Sammy, and the rest of the family,
I am so sorry to hear of the passing of my cousin, Mike. I am sure he fought a good fight. I have fond memories of him during the summers that I would visit with Aunt Irene as a child. May you all find peace in God's loving arms in the coming days.
Love,
Becky and Joe

“ *Jill,
I am so sorry to hear this news. I have fond memories of Dr. Roberts from the time I spent working at Medical Center Pharmacy. He always enjoyed joking with us about the 20 minute parking signs and we enjoyed “giving it back to him just as good as he gave.” After I moved to North Georgia, I was delighted to realize that I was able to still speak with him on occasion through his work at GA War. My current co-workers were always amused at the hysterical (and often very unprofessional) way that he and I carried on in phone conversations. Thoughts of him will always bring a smile to my face and a chuckle to go right along with it. I will certainly be praying for comfort for you and all of your family.* ”

“ Mike, Steve, Rick and I spent lots of childhood summers together. Mike and Rick were almost the same age and Steve and I were too. I remember being excited going to Aunt Irene's because she always had Oreos and milk. Mike you are now in heaven with Steve and Rick. Save some Oreos for me. Rest in peace my cousin. Prayers for Jill and family in your grief. 🙏
