“ I am so sorry to hear of your loss. I really know how it feels to lose a child and nothing in the world can compare to the pain. I didn't know you or your family but my heart bleeds terribly for any family who goes through the loss of a child! Please know that I will keep you in my prayers, that God give you peace and comfort during this very difficult time. It has taken me a long time but I have adopted a saying that comforts my heart even after 24 years. I have to refer to it often: Don't cry because it's over, smile because it WAS! Have faith in the Lord and know that He will be there for you all the way through.
In Christ,
