

## Mike Muggridge

September 13, 1955 - December 3, 2014

Mr. William Michael “Mike” Muggridge, age 59, passed away Wednesday, December 3, 2014. Funeral services will be conducted Saturday, December 6, 2014 at 11:30 AM in the Chapel of Williams Funeral Home. Interment will follow at Scenic Memorial Gardens.

The family will receive friends at the funeral home Saturday from 10 AM until 11:30 AM.

Mike Muggridge joined the Hathaway team in 1999 as a Construction Division Manager. In 2004, after the successful completion of over 3,500 units with a construction volume of over \$160 million, he accepted the reigns as President of Hathaway. Mike brought over 30 years of development and construction experience in high-rise, single-and multi-family residential, commercial and industrial construction. With his leadership, innovative style and commitment to project development, Hathaway has sustained significant growth and recognition as one of the southeastern region’s leading development and construction companies. Along with the growth of Hathaway, Mike also had a leading role in the creation of several other Hathaway entities including Provence Real Estate, a property management company, as well as Compass Supply, the primary supply company for Hathaway Construction Services. Mike was also a managing partner for each of these sister companies and involved in their day to day operation.

After earning his B.S. in Architecture from the Georgia Institute of Technology in 1979, Mike began his career at the United Parcel Service as a Project Engineer and Architect. At UPS, he was responsible for the design and construction of several United Parcel Service facilities in the Southeastern United States. In 1984, Mike joined the Landmarks Group as a Project Manager, where he oversaw the construction of the award winning \$32 million office complex, Concourse Two, in the center of the Perimeter Business District. In 1986, he joined Weeks Corporation where he took on the title as Senior Vice President of Development. At Weeks, he was responsible for the management of design and development for over 6 million square feet of low rise office, industrial and multi-use projects. During his thirty year career, he successfully delivered projects through various methods of construction management and product management. In the past 12 years Mike facilitated the development and general construction of over 8,200 units. Mike was a member of the National Multi-Family Housing Council, Atlanta Apartment Association, National Apartment Association and the International Code Council. Mike was also Qualifying Agent for Hathaway's General Contracting Licenses in GA, MS, AL, LA, FL, TN, CO, NC and SC.

More than any of his professional achievements, Mike was most proud of his family. He was a devoted husband, father and brother. Lori was the love of his life. Allie and Mare were his greatest source of pride. Lori's boys became his.

Mike was the son of the late William C. Muggridge and the late Virginia Crum Flanigan. He was a member of St. Stephens Episcopal Church and had lived in Milledgeville for over 14 years.

He is survived by wife, Lori Maxey Muggridge; children, Allison "Allie" Muggridge of Atlanta, Mary Cathryn Muggridge of Milledgeville, Brian (Katherine Hanna) Herndon of Dallas, TX, Kyle (Amy) Herndon and Scott

Herndon, both of Atlanta; brother, Rick (Terry) Muggridge; nieces, Julianna Muggridge and Bailey Muggridge; nephew, Josh Muggridge, all of Albany; and step-mother, Gladys Muggridge.

In lieu of flowers the family requests that expressions of sympathy be made to Ocmulgee Court Appointed Special Advocates (CASA), [www.ocmulgeecasa.org](http://www.ocmulgeecasa.org), P.O. Box 1586, Milledgeville, GA 31059
