“ I worked with Michael at the Classic Center. When our pastry chef left unexpectedly, we shared the role and stepped it up together. Long days in a pastry kitchen... but we loved it. Michael was a star employee... always going the extra mile, taking on anything that needed to be done. We had deep conversations about life. I left in 2018 and did not see him after that, but learned of his death after the fact, and was so, so sorry to hear that news. Michael was a special guy. Oh, one more funny tidbit... apparently when I first stored his number in my phone as a fellow employee, I hit the wrong button and stored it as, "Muchael." So I called him that, and he let me, throughout our whole time together in the bakery.

“ I have fond, strong memories of Mike from my time as his teacher at Memorial Middle School. My heart breaks for his family and wide circle of friends. May his memory be a blessing.

“ *My brother will be forever missed. He was so full of life and charismatic. I will never forget our family vacations and camping trips. I miss him more than ever but know he is fishing with my Pop in heaven now.* ”
