I am so sorry to hear about your sister. She and my sister were in the same class at BHS. My family met with Millie some time ago when looking for a nursing facility for our mom. Millie was very kind and professional.

For some reason, I cut myself off before I could share this... Millie & I worked for the same company many years ago. We never lost touch & stayed in contact through a Christian/Inspirational group page I founded & administered on Facebook, DAUGHTERS & SONS of the KING. Because of the promise of eternal life, we will all be reunited one day in our heavenly home. My thoughts & prayers are with each member of Millie's family & will be now & in the days to come.

Harry, Sons, & family. Even though I have not met you all, Millie always spoke of each of you with such tender love & compassion. She filled the room with heartfelt joy & laughter which was catching. I looked forward to every Sunday I could sit by her in SS & church. She was such a true beauty in every way. She had such a special way of making everyone feel her happiness. I'll miss her.

“ I will always have fond memories of the years I worked with Milly at Brantleys. She was a mentor to me in my youth and taught me many valuable things I still carry with me today. She was a loving wife, mother, and grandmother as well as an advocate for women. I always admired her tenacity in providing care for others and her tireless efforts in the organizations she volunteered for. I am so sorry for the families loss and my prayers are with you all.
