“ I will miss my sweet friend so much. Never a week went by that we didn't talk...and sometimes more than once a week. We met at church 30 years ago...and she has always been there for me as a sweet, Christian friend. We were in same SS class and set on the same church pew together for years. I know she's celebrating in Heaven with Jesus now. My selfish side wants her still here with us though. I love you Millie. Thanks for always showing the love of Jesus to me. I know I will see you again one day. For now...rest easy dear friend. My prayers are with all the family. Love you all. Susan Hatcher ...and Wayne.

“ Millie was the first person besides myself who learned that I had passed boards. She taped over the GN on my name tag and wrote RN. I worked with her at CSH at Riverside Nursing Center for almost two years. Prayers sent to her family for peace and comfort.
