*I spend a lot of time with Chloe. She is grow into such a beautiful young girl. She will be 12 next month. As I spend time with her I see many of your characteristics and gestures in her. She forever looks like you. She is and will always be my heart. I talk to her about her baby and toddler days so she can remember the times with you. She so reminds me of you!! I just had you on my mind all day and felt the need to talk to you. This is where I come to talk to you. Continue to be our angel from above and give nana a huge kiss for me. Y'all loved each other so much. It makes things a little more bearable to know y'all are tiger in heaven*

*I love you* ❤️❤️❤️

“ *Miranda it has been two years since you became an angel. A lot has happened in these two years. I still think about you every day I dont think I'll ever get over missing you but I look at Chloe and realize how wonderful things are. Chlor has really grown a lot this past year and is such a sweet and loving child, you would be so proud of her. Chris and Anna are doing a wonderful job in parenting her and she has a very close relationship with both sets of her grandparents, she is so amazing. Chloe had her first Dance Recital this year and really did great, she also twirled batons at school. She has really come out of her shell this year and is very outgoing and talkative. Remember us all down here on this earth until we see you again. I forever love you, Lala###imported-begin###Lala###imported-end##*

“ *Ginger, Dennis and family*  
*Miranda was a very thoughtful and loving daughter in law as well as a wonderful mother to our little Chloe. I will never forget the way she would stroke chloes little face at night when she was getting her to sleep or the way Chloe would feel of Mirandas hair all night long. Those are just two of the little special things Miranda did for Chloe along with all the smiles. Miranda was right by my side last year when I was so ill and she ask questions and gave orders to my MDs just like a daughter would. I will truly miss having Miranda in my life. I promise you that Chloe will be told of all the things about her mother and Mirandas memory shall truly live on thru Chloe. Miranda is with our heavenly father now and chloe has the most wonderful angel watching over and helping to guide Chris and both sets of grandparents to make the best decisions in guiding Chloe in the years to come.*
