“ My best friend all time jodidar. Last few years in contact through phone call. When I was informed about his sickness I felt like all pain I am going through. More the half life span back in Bardoli every day evening time we spent. My family always says he is my brother. Daily my mom and Jiviben spent time by evening. His loss to me huge never forgetful . I will always pray for him and wish his soul will rest in peace. Mukesh .
