“ *I have known Mama T for many many years, she was the type of person that was loved by everyone and touched alot of lives, and will never be forgotten. She used to tell us that when she got to heaven she was going to rearrange the furniture and that when we heard the thunder we would know that she was hard at work. She left us on Sun.the 24th and as I recall I heard thunder on Mon. the 25th so guess she has settled in and went to work. You will be missed by many many people. Love you much !
